TO THE 32ND ANNUAL MADE IN HAWAII FESTIVAL!

We are deeply grateful for your support and for joining us in our vision of uplifting a strong, sustainable and resilient food industry in Hawai'i.

About HFIA

Established in 1972, the Hawai'i Food Industry Association (HFIA) is a 501(C)(6) non-profit trade association whose mission is to improve conditions in the Hawai'i food and beverage industry by actively promoting the strength, sustainability and resilience of Hawai'i's food and beverage retailers and suppliers through highly effective advocacy, networking, education and industry and community relations.

Proud to Produce MIHF for 32 Years

HFIA is proud to have produced this event from its inception 32 years ago. The Made in Hawai'i Festival serves as a vital venue to showcase products that are made in Hawai'i and provides an exceptional opportunity for companies to market themselves to retail buyers and consumers. Over the years, this event has become a business incubator, allowing businesses to test-market their products with thousands of patrons.

Thank you for being a part of this amazing event, and we hope you create unforgettable memories at the Made in Hawai'i Festival!
